RE-WARP COLLECTION

fall 2020

Concertex introduces the Re-Warp collection of performance driven products. With fresh eyes, and a new perspective of today's world, the design studio carried the Warp collection concept back to the loom. Carefully curated, Concertex created a catalog of product that combine the desirable, cleanable attributes of coated construction with the grace of woven sensibility. The result? Breathtaking, high-performance upholstery products that are comfortably unique and uber sophisticated.

CONTOUR
Polyurethane

CONTOUR

Polyurethane

It's an energy, It's a vibe. A curvaceous graphic, bold and serene – Contour is an upholstery pattern that is as unique in style as it is in construction. The sophisticated coated fabric plays with light and shadow using a new technology. Contour is constructed using an engraved roller, that applies a layer of polyurethane base, to create a raised, textured design that is smooth and sleek.

- Content: 100% Polyurethane
- Backing: Polyester
- Graffiti-Free
- 100,000+ double rubs
- Bleach Cleanable
- Complies with Healthier Hospitals

MANTA

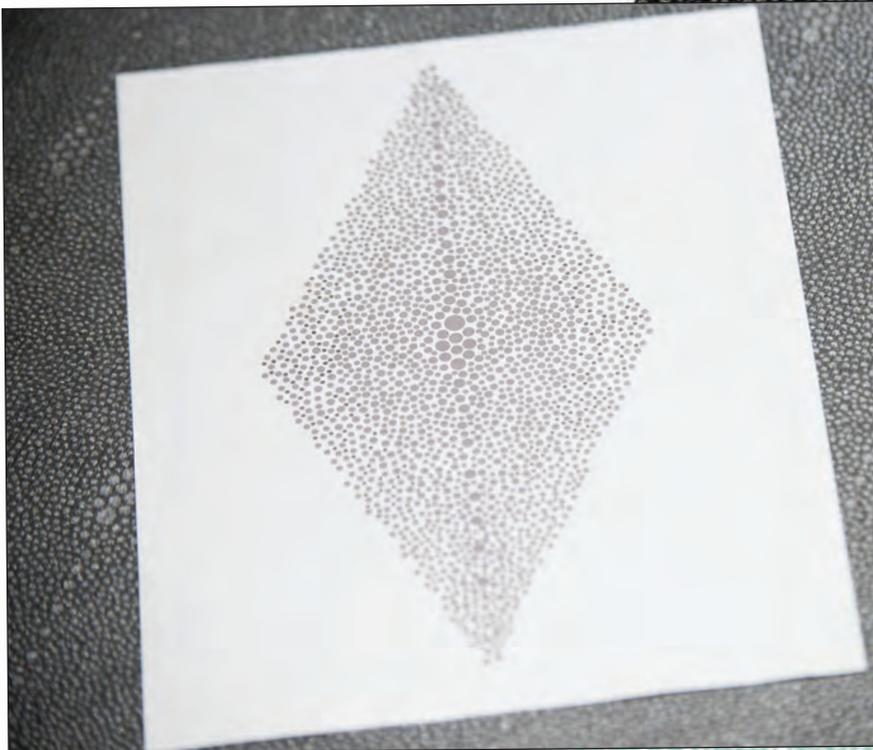

Polyurethane

Mimicking the majestic, natural texture of a stingray, Manta is one striking polyurethane. Created using a new technology, the sophisticated shagreen pattern creates light and shadow on the surface. Manta's silhouette is constructed using an engraved roller, that applies a layer of polyurethane on top of a polyurethane base, to create a raised, beaded design that is smooth to the touch.

MANTA

Polyurethane

- Content: 100% Polyurethane
- Backing: Polyester
- Graffiti-Free
- 100,000+ double rubs
- Bleach Cleanable
- Complies with Healthier Hospitals

PLUME

Phthalate Free Vinyl

Reminiscent of feather and fern, Plume's organic design lends the 52" upholstery pattern a lighter than air appearance. The digitally printed vinyl's soothing design mimics the warmth of a woven while maintaining the robust qualities of a coated fabric.

PLUME

Phthalate Free Vinyl

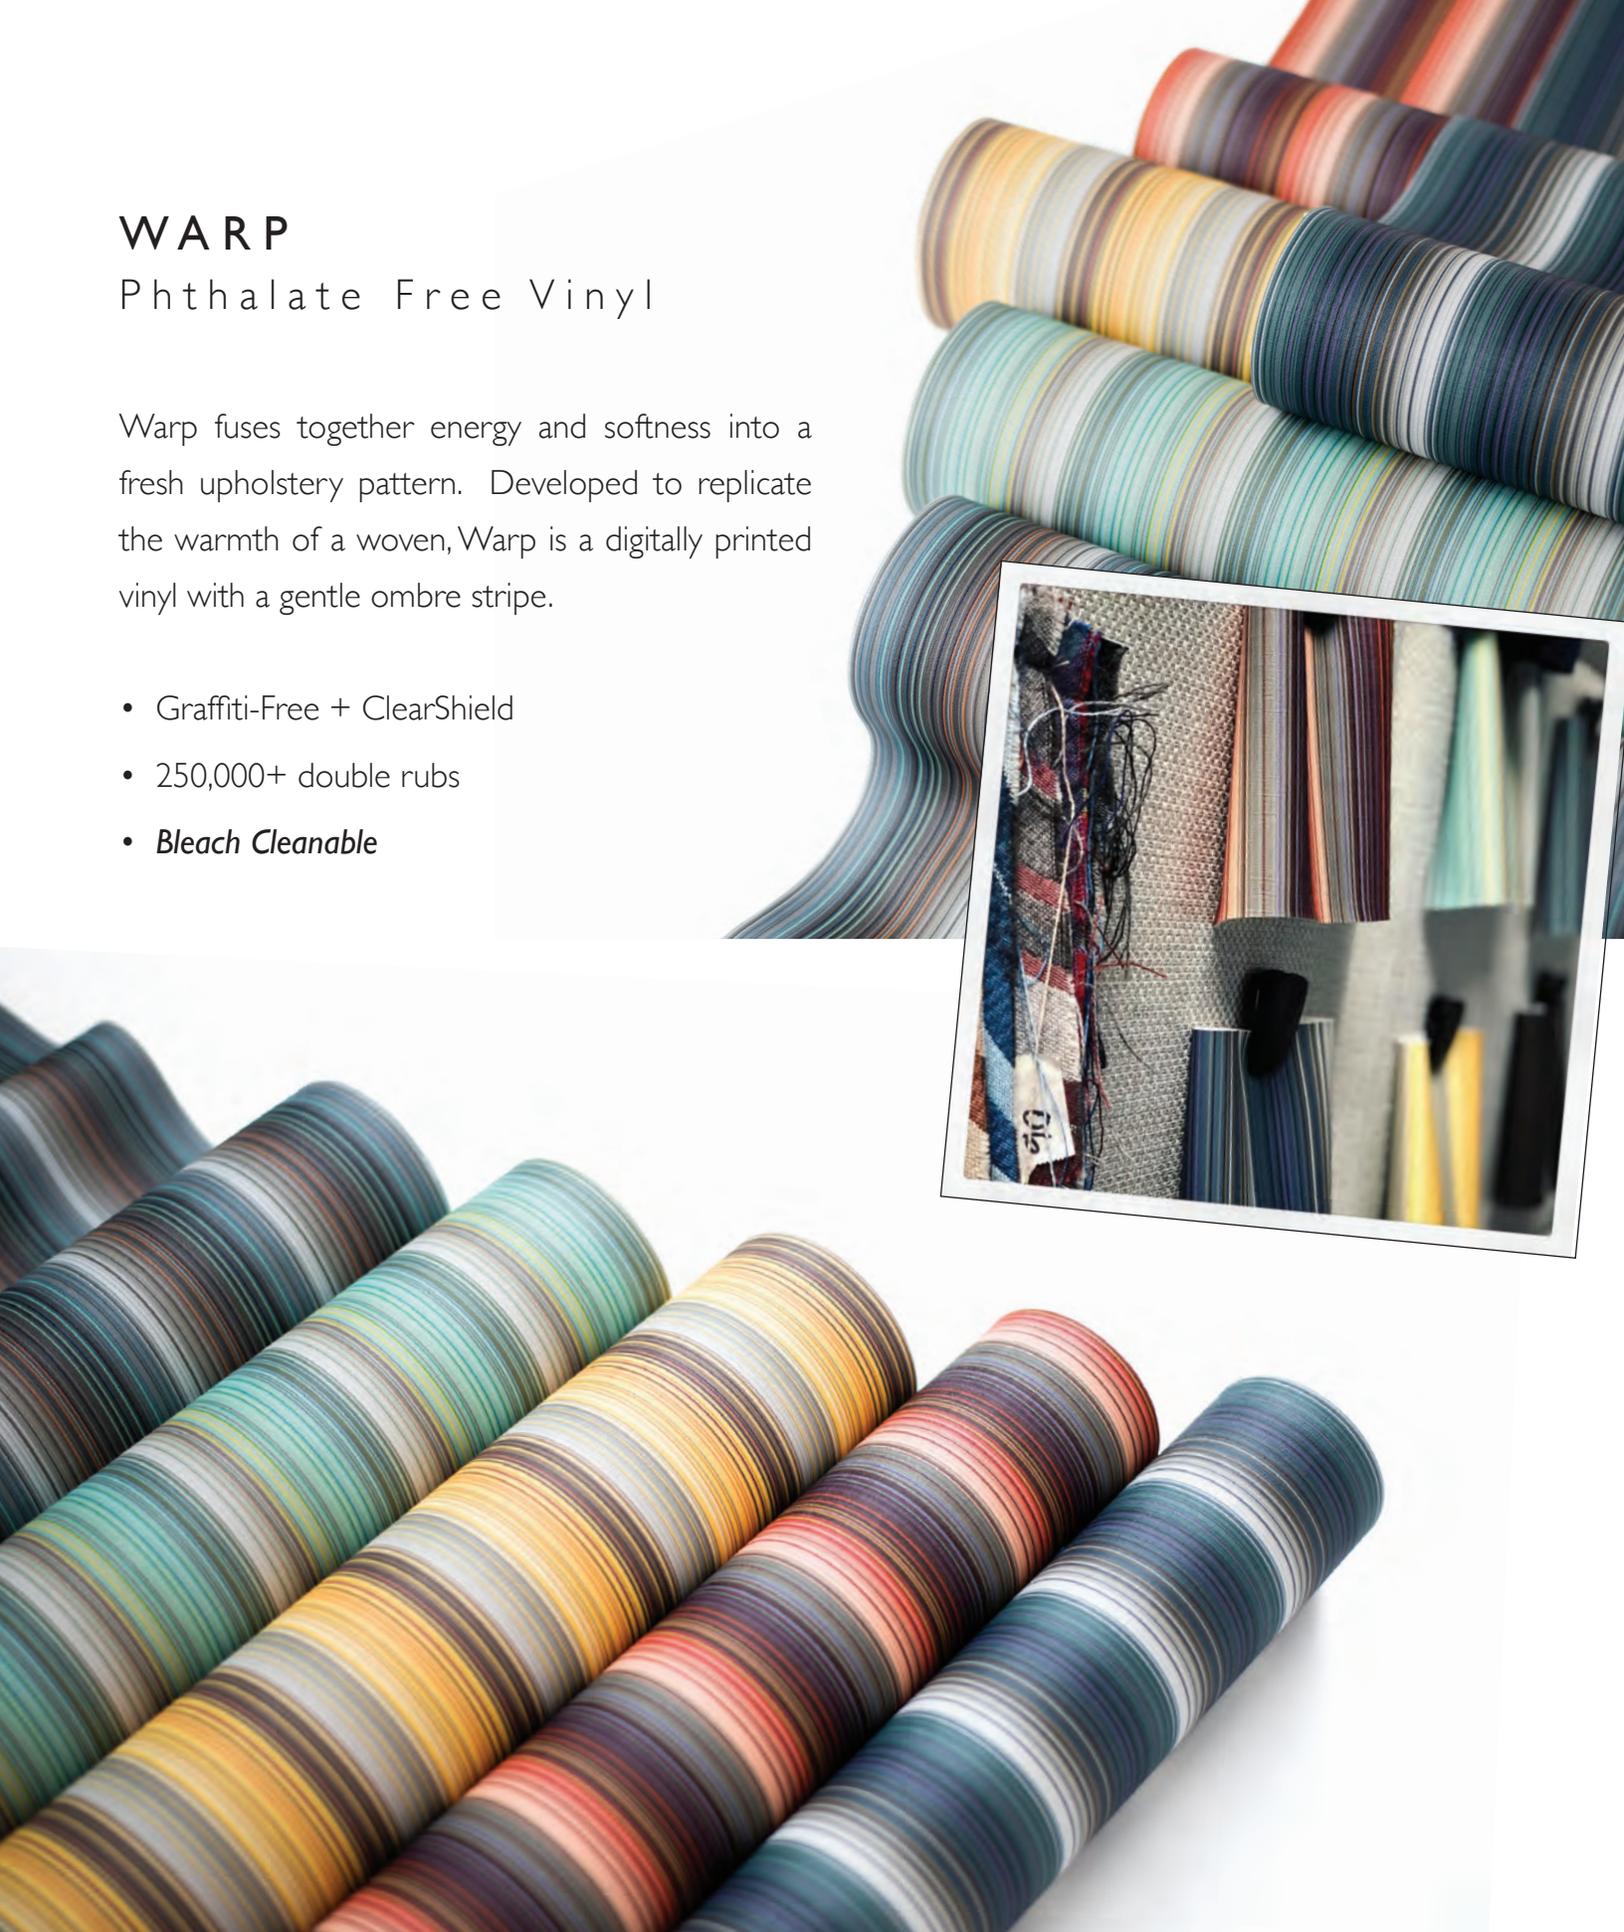

- Graffiti-Free + ClearShield
- 250,000+ double rubs
- *Bleach Cleanable*

WARP

Phthalate Free Vinyl

Warp fuses together energy and softness into a fresh upholstery pattern. Developed to replicate the warmth of a woven, Warp is a digitally printed vinyl with a gentle ombre stripe.

- Graffiti-Free + ClearShield
- 250,000+ double rubs
- *Bleach Cleanable*

LYON

Phthalate Free Vinyl

Lyon - a tribute to the Southern city of France - is as refined and rustic as its namesake. With a slightly distressed leather texture, the phthalate free vinyl is durable, sophisticated, and bleach cleanable.

- Phthalate Free Vinyl
- 250,000+ double rubs
- *Bleach Cleanable*

SKYE

Phthalate Free Vinyl

Coined after Ireland's Isle of Skye, Skye is a coated fabric that is reminiscent of Irish linen. The embossed texture provides the phthalate free, performance vinyl a fine woven appearance. Skye is *bleach cleanable* and boasts over **250,000+** double rubs for a wide range of applications.

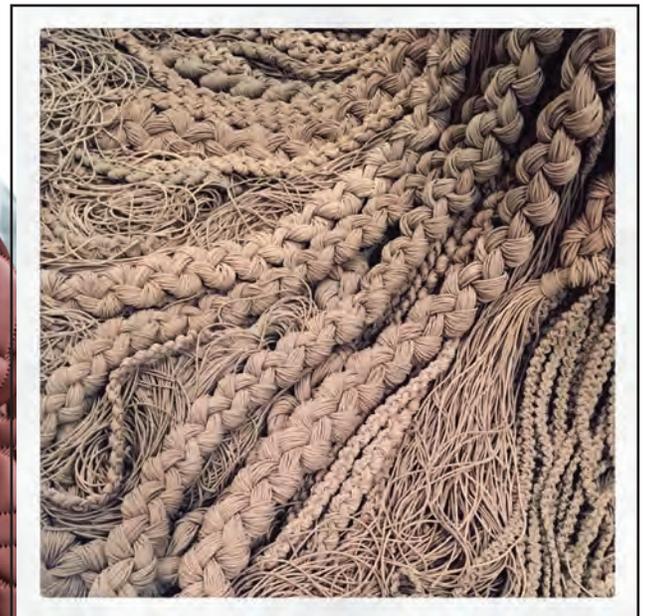

INTERLOCK

Polyurethane

Taking a cue from crafted textiles, Interlock is ultrasonically embossed to create a quilted, dimensional motif.

- Graffiti-Free
- 100,000+ double rubs
- *Bleach Cleanable*
- Complies with Healthier Hospitals
- DMF Free, PVC/Phthalate Free

TEKLOOM

Concertex presents a new technology called Tekloom. The ground-breaking technology chemically bonds a woven product with the durable components of a coated fabric to create an innovative, *fused textile*.

BOLD and *Graphic*, Apex packs a powerful *PUNCH*. The small scale, pictorial pattern is created with solid colored yarns in the warp and the weft to provide clean, clear color combinations and vivid sharp lines.

APEX

TekLoom

- Content: 88% Polyester, 12% Tekloom TPE
- Backing: Acrylic
- Graffiti-Free
- **1,000,000+ double rubs**
- Bleach Cleanable
- Complies with Healthier Hospitals

FLUX

TekLoom

Embracing fluidity and change, Flux stylishly reflects both in a 54" upholstery pattern. The Tekloom product – a high-performance fused textile that is chemically bonded with the components of a coated fabric – is an extremely durable fabric with a textured appearance.

- Content: 88% Polyester, 12% Tekloom TPE
- Backing: Acrylic
- Graffiti-Free
- **1,000,000+ double rubs**
- Bleach Cleanable
- Complies with Healthier Hospitals

PARALLEL

TekLoom

Super sophisticated and pure contract, Parallel is created using a new technology called Tekloom. The woven textile is chemically bonded with the durable components of a coated fabric to create an innovative, *fused textile*.

- Content: 88% Polyester, 12% Tekloom TPE
- Backing: Acrylic
- Graffiti-Free
- **1,000,000+ double rubs**
- Bleach Cleanable
- Complies with Healthier Hospitals

SPECTRA

High Performance Velvet

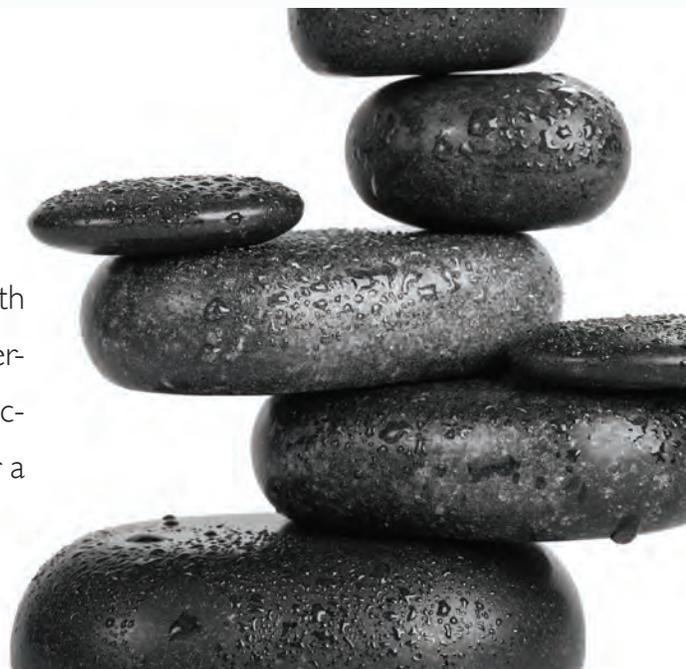

Offered in an impressive palette of **36** delicious colorways, Spectra's color line focuses on rich, fashion forward tones and soft, usable neutrals. The performance upholstery boasts **100,000 double rubs**, lending high-traffic spaces a lavish dose of *"resimercial"* flair.

HIDALGO

PVC-Free Wallcovering

Hidalgo is a dashing durable wallcovering. Constructed with polyurethane on the face and a polyester backing, the wallcovering is bleach cleanable and built to last. Despite its robust characteristics, Hidalgo has a timeless pebbled leather appearance for a sophisticated look.

POLYNESIA

Type II Vinyl Wallcovering

The dimension on the face lends Polynesia the look and feel of an earthy, chic grasscloth. Offered in a variety of natural straw and raffia colorways, as well as timeless neutrals, Polynesia is as lovely as it is durable.
